

## How Does the Trial Work?

Hi, I'm Trina Webster co-founder of ZQuiet. Some people think that a trial is a gimmick, so let me explain why we offer it and how it works. We've been selling ZQuiet for ten years now, and once we realized how successful it is in treating snoring, we wanted to make it as affordable as possible to try it before committing to the full purchase price.

The trial is simple. You pay an upfront trial fee that is non-refundable and we send you a ZQuiet to try for 30 days. If it works for you and you keep it, we charge you the purchase price at the end of the trial period and if you decide ZQuiet isn't right for you, you simply return it and pay nothing more.

Whether you purchase it upfront or choose a 30 Day Trial, we honor every purchase with our 30 Night Better Sleep Guarantee.
